

## **DRUG AND ALCOHOL FREE LIBRARY POLICY**

The illicit manufacture, use, possession, or distribution of controlled substances, look-alike drugs, drug paraphernalia, and the manufacture, use, possession, or distribution of alcoholic beverages, marijuana, and its derivatives as defined by Illinois and Federal statute, at any time, is not permitted at any library location.

“Library location” means in any library building, on any library premises, in any library-owned vehicle, or at any library-sponsored activity where patrons are engaged in activities under the jurisdiction of the Library.

A patron who violates the terms of this policy may be expelled from the library location involved or any library location at the discretion of the Library, and use privileges may be suspended for a specified period of time. The Library may, in its discretion, refer incidents to appropriate legal authority for prosecution when this policy is violated. Sanctions against patrons shall be in accordance with prescribed library regulations and procedures.
